

We have been offering school trips for years now. We pride ourselves in being flexible to suit the requirements of schools. We understand transport is becoming an increasingly difficult aspect of planning a trip in terms of costs so we have some options that you can self-lead.

Many outdoor centres will offer one activity in the morning and one in the afternoon, but we can offer three or four and sometimes even more. All our activities are close at hand and quick-change rounds mean the students get taster of lots of things.

GET IN TOUCH WITH WHAT YOU WOULD LIKE TO DO AND WE WILL GOT BACK TO YOU.
