

venture out

Based in and around the grounds of Burnage Rugby, Heaton Mersey. SK4 3 EA

Stone Age Boy

An amazing thing once happened to me. I was wandering in the woods when I tripped and found myself falling down....down....down!

When I woke up, I was in a cold, dark place.

MAKING FIRE

MAKING TOOLS

USING TOOLS

PREPARING & COOKING FOOD

One afternoon we went to the River....They held their spears high and stood as still as trees.

The little ones picked berries and nuts.

At a signal, the others ran towards it, yelling and throwing their spears

That night we had a party to celebrate. We cookedover a great fire and there was music and dancing.

We will recreate some of the story...a journey first into the woods to gather wood and forage, we will go down to the river and see if we can fish with spears ...we will practice throwing spears to try and catch a deer!! We will hone our Archery skills to help with hunting. We will take a trip into our cave and make some cave painting pictures, we will make simple fire and a simple vegetable hot pot. We will create our very own Stone Age music and dance around the fire. We will make a simple tool with some slate and also some jewellery we might even build Stonehenge.

IF YOU CAN'T AFFORD TO COME TO US DUE TO TRANSPORT COSTS WE CAN BRING LOTS OF THESE ACTIVITIES TO YOU (sorry the cave is a bit too big and the river too wet!)

PRICE: £600 (+VAT which school claims back) for a class. Split into 2 groups of max 15 with at least 4 grown ups from school to support.

THIS IS AN AUTUMN /WINTER OFFER 2026/7

If you are very local we would be happy to take a class in the morning and one in the afternoon. We would do most but not all the activities.
